Re: Charles Bernard Wilson

Gentlemen:

My client, Mr. Wilson, requires proof of his naturalization. By Fiat No. 561981 he was granted a homestead as No. 4[illegible] which was recorded in the Department of The Interior on the 27th of June, 1914, in Liber 622, Folio 425 covering the NE¼ of 26-26-12, W4th, in the Province of Alberta. Would you be good enough to search your records and inform me at your earliest convenience of the status of Mr. Wilson's naturalization. He informs me that at the time he applied for the patent for his homestead he took an oath of allegience and he thinks that at that time he was also naturalized.

Yours sincerely,

Sir. I would like to change my
filings on my homestead to the pre-emption
and from the pre-emption to the homestead
for the reason of what they now are - as
I would like to build on what is now my
pre-emption as the location there is much
better than on the homestead. What will it
cost to change my filings? And will I
lose the time I have already put in on
homestead? Can I do all my plow-

of growing a crop?

Thanking you for an early reply. I

Re S.½-31-14-10-W 4th Mer.

I beg to return herewith the memorandum forwarded to you wherein you set forth the residence, improvements and cultivation performed upon your land to date, which information is submitted presumably in support of your desire to make application for patent for your pre-emption entry, above mentioned, as the said land still stands as a pre-emption in your name. Under these circumstances, you are not in a position to make application for patent. It is observed that you were granted authority to intercommute your homestead and pre-emption entries on the 8th of June, 1910, and were instructed to forward your interim receipts to the local Agent at Lethbridge for this purpose.

It does not appear that the interchange has been carried out and if you still desire to do so, you should communicate with the local Agent aforesaid at once, advising him of your intentions.

A copy of this letter is being sent to him, which will be his authority for intercommuting these entries should you so desire.

Sept 13. 15

Dear Sir

Your regards in the matter for the seed and feed advanced me by the Government this spring, It will be impossible for me to pay up this fall as my crop is light and I am late so far by having a crop last year. If you demand it I owe you, will have to sell off my stock to pay my debts and put farming. If I pay the crop at will take about ½ of it to pay the Thrash bill is payed then the furlis & the mortages on my stock and machinery will foreclose to get there money. Hoping you can carry us a mother year and I will pay up our old bill that has run two years

I remain Respt

Sir:

I have before me your letter of September 13th addressed to the Minister of the Interior, Ottawa.

At the time you wrote this letter, it would appear that you had not received my latest circular which points out that the Government this year is to carry out of this year's crop only half of the seed grain indebtedness, leaving the balance of the seed grain indebtedness and other relief to be paid later. This ought to be satisfactory to you.

Your obedient servt

Commissioner of Immigration.

Re N.W.¼ 31-14-16, W.4th M.
Pre-emption - Frank B. Dawson.
Entry granted 29th March, 1909 (entries interchanged in 1912).

Homestead (patented 2nd May, 1914).

Cancellation proceedings outstanding.

Mr. Dawson applied for pre-emption patent in June 1917. He has not secured a Certificate of Recommendation.

The amount due on the pre-emption with interest to the 1st November, 1926, is $608.24.

Seed Grain indebtedness to the 31st March, 1926, is $170.04.

Proceedings were commenced against the entry for non-payment on the 10th February, 1926. No defence has been filed.

Inspector Wilcox while on collection work reported in January 1926 that Mr. Dawson had left the land; that a Loan Company are the present owners of the appurtenant homestead; that he does not think Mr. Dawson intends to do anything more with the pre-emption.

It would appear from the report that the dwelling house, size 20 x 24, is situated on the pre-emption but when making application for pre-emption patent the pre-emptor stated that his dwelling house was then situated on the homestead. It is clear, however, that there is one and one-quarter miles of fencing on the pre-emption, valued at $[illegible]. The land is suitable for homesteading.

I would suggest that the entry be cancelled forthwith and the agent instructed to post the land on form No. 54 B.

For Soldier Grant entry by any "settler" as defined by the Soldier Settlement Act upon production of Attestation Certificate, or a telegram or special letter from the Soldier Settlement Board establishing eligibility, who is also eligible under the provisions of the amendment to the Dominion Lands Act affecting Area "A" printed on the back hereof.

(3) After one day has been allowed for priority under paragraph one and the succeeding day under paragraph two, then the next day, that is, on the morning of the May 27th

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. In such a case the proxy will require to APPEAR PERSONALLY AT THE OFFICE OF THE LOCAL AGENT (NOT SUB-AGENT).

No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be $10.00. According to evidence on file in this office there are improvements upon the land stated to be worth $35.00

Payment for Improvements

Before a person is granted entry for a homestead or a Soldier Grant, he *shall declare what improvements*, if any, there are upon the land for which he applies, *and pay* to the Agent or Sub-Agent the *full amount of his valuation* of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over $25.00, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

Payment of Indebtedness Charged Against the Land

The following indebtedness is charged against this land $41.75 & Int. If the amount collected for improvements is not sufficient to make up this indebtedness, the applicant for entry is required to pay or secure the full amount of indebtedness (for particulars enquire at office of Agent).

Eligibility for Soldier Grant Entry:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force: —

(a) of Canada— and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,

(b) of His Majesty or of any of His Majesty's Allies— and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,

(c) of His Majesty or of any British Dominion or Colony— and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war, and has been otherwise than dishonourably discharged from such force or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein, and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who, —

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:

Conflicting Claims

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the evening of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Right of Entry in Area A Restricted

By section one of the Act 15-16 George V, chapter 10, "An Act to amend The Dominion Lands Act," it is provided as follows: —

"Notwithstanding anything contained in this Act, no person shall be granted entry for lands situate within that part of the provinces of Saskatchewan and Alberta south of the south boundary of Township 16 in the Dominion Lands system of survey unless such person submits evidence satisfactory to the Minister of the Interior that he or she is in permanent residence and conducting farming operations upon a farm of not less than eighty acres distant not more than nine miles in a direct line from the parcel for which entry is desired, exclusive of the width of road allowances crossed in the measurement, or that such person is the father, mother, son, daughter, brother or sister of a settler in permanent residence and conducting farming operations as aforesaid."

Dear Sir:

Re: N.W. 31-14-16-W4

This Department has an old account against the above noted land for advances of seed grain to Frank B. Dawson in 1922. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Your file No. 1839652.

I am in receipt of your letter of the 26th ultimo, and in reply would advise that the above described quarter section is located outside of the homestead lease area. It is included in Grazing Permit No. 5926, which is held by John Kinzell, of Retlaw, Alberta, to the 31st of March, 1953. Mr. Kinzell has prior right of renewal.

It is not likely that this quarter section will be used for farming purposes.

Mr. G.E.B. Sinclair,
Dominion Member,
Seed Grain Advisory Board.

Re: Account of Frank B. Dawson
N.W. 31-14-16-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1922 seed grain amounting to $141.75 was advanced to Frank B. Dawson on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 141.75	$ 296.78	$ 438.53

The N.W. 31-14-16-W4 was formerly the pre-emption of the debtor whose entry was cancelled on the 11th of May 1926 and is still unalienated Crown land held in the right of the Province.

In reply to our questionaire of the 26th of April 1952, V.A. Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"I am in receipt of your letter of the 26th ultimo, and in reply would advise that the above described quarter section is located outside of the homestead lease area. It is included in Grazing Permit No. 5926, which is held by John Kinzell, c/o Retlaw, Alberta, to the 31st of March, 1953. Mr. Kinzell has prior right of renewal.

It is not likely that this quarter section will be used for farming purposes."

As the land no longer offers any security of value and is such that it is unlikely to be used again for farming purposes, it is recommended that the indebtedness be cancelled.

N.W. 31-14-16-W4

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment.

DOMINION LANDS ADMINISTRATION

INTERIOR

OTTAWA, August 16, 1928.

Copy to A.D.L. Edmonton,
Ref. #167501.

Sir,-

N.E. ¼ of Sec. 21 Tp. 59 Rge. 5 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

James Moses Beaver, Esq.,
Campsie,
Alberta.

Acting Commissioner
of Dominion Lands.

P.S. Should you relinquish from your lease the N. W. ¼ 1-60-6-W.5thM. you may not be allowed any priority in filing on same as a homestead. The land would be posted in the ordinary way and you would have to take your chance with others of obtaining it when available.

Sir,-

N.½ ½ Sec. 17 Tp. 56 Rge. 3 West 5 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting these settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

OTTAWA, 9th August, 1928.

Sir,-

S.E. ¼ of Sec. 5 Tp. 61 Rge. 5 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

W. MARTIN

Patent was issued in the name of Edward Daniels, as personal representative, of the late Albert Daniels, for the S.E.¼ 35-26-12-W.4th subject to the 1915 liens incurred on the security of the above mentioned land by Albert Daniels.

The S.W.¼ 35-26-12-W.4th was the pre-emption entry of the lienee and was cancelled on the 18th of November, 1924.

In reply to our questionnaire concerning the S.½ 35-26-12-W.4th of the 5th of April, 1952, J.H. Todrick, Supervisor, Special Areas, Province of Alberta, wrote as follows:-

"The SW¼ of this parcel is unalienated crown land while title to the SE¼ is presently vested in this department having been acquired through proceedings under the Tax Recovery Act. This half section covered at present by a long term grazing lease is located in that part of the Province designated "Special Areas" and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

As the land at present is covered by a long term grazing lease and there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing it no longer offers any security of value for the advances. Under the circumstances it is recommended that the indebtedness be cancelled without the requirement of any payment and the liens discharged.

Dear Sir:

In your letter of August 2nd, your file 21-13081, you asked what claim to Canadian Citizenship had been made by Joselyn Orlando Evenson when applying for homestead patent in Alberta.

This man's homestead was the S.E.¼ 13-2-6-4th Mer., and when he applied for patent he claimed British nationality by reason of his father's naturalization when he, Joselyn, was a minor. The father, John J. Evenson, when applying for patent for his homestead, forwarded a certificate of naturalization as a British subject dated November 10th, 1910. The son, Joselyn, forwarded a Solemn Declaration that he became a British subject by his father's naturalization and on "attaining my majority I did not renounce British citizenship.".

18th August, 1921.

Dear Sir:

In your letter of August 2nd, your file 21-10-21, you asked what claim to Canadian Citizenship had been made by Joselyn Orlando Svenson when applying for homestead patent in Alberta.

This man's homestead was the N.E.¼ 18-8-5- 4th Mer., and when he applied for patent he claimed British nationality by reason of his father's naturalization when he, Joselyn, was a minor. The father, John J. Svenson, when applying for patent for his homestead, forwarded a certificate of naturalization as a British subject dated November 10th, 1910. The son, Joselyn, forwarded a Solemn Declaration that he became a British subject by his father's naturalization and on "attaining my majority I did not renounce British citizenship.".

Yours very truly,

Copy for the A.T.A., Calgary (Ref.88863), who will cancel Mr. Denis Hugh Burdge's entries and withhold this land from settlement pending further instructions.

I beg to acknowledge the receipt of your letter dated the 3rd instant, and in reply to inform you that, as you say, Denis Hugh Burdge was born on the 11th February, 1892, he was not of the legal age when his father made entry for him for the south west quarter of section 28, township 47, range 12, west of the fourth meridian; consequently your entry, being illegally obtained, is not in accordance with the regulations.

I am also informed that, in regard to the residence duties required by law, the improvements you have made on the land are small when compared with those usually found on lands of any value in this locality.

In view of the foregoing, both your son's homestead and pre-emption entries for the south half of the section mentioned have been cancelled.

No decision will be arrived at, however, in regard to the final disposal of this land until a full report has been received from a homestead inspector, setting out what you have done thereon in the way of residence, cultivation and improvements.

A copy of this communication is being sent the agent at Calgary, with a request that he will issue the necessary instructions and request the inspector to furnish the report referred to as speedily as possible.

Memorandum:-

Denis Hugh Burgoo was born on the 11th February, 1891; consequently he did not attain 18 years of age until the 11th February, 1910.

On the 1st April, 1910, however, Samuel Burgo, the father of the settler above referred to, made a/r entry on behalf of the latter for the S.E. ¼ of Sec.13--[illegible]--11, [illegible].41 W.

On the 30th October, 1912, Denis Hugh Burgoo made preemption entry for the South East quarter of the section mentioned.

The settler of the homestead has voluntarily furnished a statement of the facts of this case, and sets out that he thought owing to ignorance, believing that his son was of the required age of 18 years.

There is no doubt that Mr. Denis Hugh Burgo was under age at the time he was granted proxy entry. I assume there will be no other course open to the Department but to cancel both his homestead and preemption entries.

The only point to be settled is,- whether this settler should be granted permission to re-enter for these quarter sections; or,- whether the lands should be
